

ReadTree International (<https://readtreeinternational.com>) invites Chapters for this upcoming Edited Book

Book ID- RT-1008

Contemporary Perspectives in Social Sciences
(Interdisciplinary Research and Emerging Trends)

This edited volume seeks to highlight how social sciences address local, national, and global challenges while also offering new pathways for research and policy formation. By combining insights from sociology, psychology, economics, political science, education, anthropology, and related fields, the volume aspires to create a comprehensive resource for academics, practitioners, and policymakers.
